Re: Ratt.

Dear Stephen,

I hope all is well. It has been reported to me that you have plans to perform under the name "Ratt". I am assuming that these rumors are untrue. However in order to prevent any possible future misunderstanding, I want to point out to you that you have voluntarily resigned as a member of "Ratt" as of 2/10/92 in writing to Allen Kovac, our then manager. Pursuant to paragraph 11.3 of the partnership agreement dated May 8, 1984, you are a leaving member or "Ex-partner" and pursuant to that agreement you would have no right to use the name "Ratt".

Likewise, Warren De martini and Robin Crosby are also leaving members. Thus, Bobby Blotzer and myself are the sole owners of the name, logo and marks for "Ratt".

I assume that you are in agreement with all of the above, should you disagree or have any question, please feel free to call me.

Regards,

Juan C. Croucier

Dear Juan,

Concerning your letter sent NOV. 1, 1995 your information is wrong to what I do or don't do. First I not to my knowledge would have signed anything to Allen Kovak our then manager or to anyone without legal council pesent. Second I voluntarily withdrew from the band. Third, there is no RATT a partnership. There are no remaining members of the group RATT. Fourth, If you recall Robbin Crosby was fired. Fifth, on or around April, 1984, Pearcy/Crosby/De Martini/Croucier as a music partnership excluded Blotzer from RATT music, a partnership and RATT a partnership some time later, signed by all four of us, The partnership agreement. Sixth, We are all ex-members of RATT, we have all been and are involved in are own respected projects since the dissolution of the band RATT in or around Feb. 1992. Seventh, I am not in agreement with your letter. If you have any questions call Judith Dornstein.

Regards,

STEPHEN E. PEARCY
